

## WARDROBES (WARDROGING CABINETS)

Wardrobes for social rooms, locker rooms, etc. Each compartment of the cabinet is equipped with a metal shelf, bar and hooks for clothes and is separated by a metal wall for separate storage of clean and dirty clothes.

Wardroging cabinets are made with the utmost attention to aesthetics, durability and functionality. Manufactured from steel sheet protected against corrosion, coated with polyester paint resistant to UV rays. The door has ventilation openings that ensure air circulation in the cabinet.

### Standard execution:

- made of black metal sheet, protected against corrosion with [Facade type polyester powder paint](#) in gray color RAL 7035. This performance allows their long-term use even in difficult conditions
- cam lock (single-point locking) or RONIS (two or three-point locking). Two keys are delivered to each lock, number of lock combinations – 2 thousand.
